

**INTERNATIONAL LABOUR MIGRATION  
IN THE CZECH REPUBLIC**

Bulletin No. 23

Milada Horáková  
Assistant Ivana Macounová

September 2009

*Note:* Companies which employ EU (European Union), EEA (European Economic Area), and EFTA (European Free Trade Association) citizens simply have the obligation to inform the relevant labour office in writing that they employ such citizens. This obligation relates to the commencement and termination of employment. Other foreigners (from so called third countries) can only be employed after being granted a work permit. A work permit is not required for foreigners with permanent residence permits nor for foreigners pursuant to § 98, letters a) through e), j), and k) of Act No. 435/2004 Coll. on employment. These groups of foreigners form a new group in the CR labour market and are covered separately in this Bulletin.

Data on residence permits of foreigners refer, unlike in previous years, to an actual place of residence in a particular territorial unit, and not to the territorial unit where such a permit has been issued.

Data in the Table 20 (number of Czech citizens registered by labour offices in Slovakia) are not yet available.
